Summary of Protocols – Janet Ossebaard & Cynthia Koeter

[Goyim = common people]

#1 – Their disdain, their contempt is shocking 7:35

Protocol 1 – Paragraph 21

"The mob is savage and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it turns to anarchy, which is the highest degree of savagery" (Protocol 1, paragraph 21)

21. It is only with a despotic ruler that plans can be elaborated extensively and clearly in such a way as to distribute the whole properly among the several parts of the machinery of the State: from this the conclusion is inevitable that a satisfactory form of government for any country is one that concentrates in the hands of one responsible person. Without an absolute despotism there can be no existence for civilization which is carried on not by the masses but by their guide, whosoever that person may be. **The mob is savage, and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it quickly turns to anarchy, which in itself is the highest degree of savagery.**

Protocol 3 – Paragraph 7

"We are interested in killing out the Goyim. Our power is in the chronic shortness of food and physical weakness of the worker, because that implies he is made the slave of our will" (Protocol 3, paragraph 7)

7. We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces - Socialists, Anarchists, Communists - to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our SOCIAL MASONRY. The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy, and strong. **We are interested in just the opposite - in the diminution, the KILLING OUT OF THE GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will,** and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

Protocol 3 – Paragraph 8

"We shall move the mobs by want, envy, and hatred... and with their hands we shall wipe out all those who hinder us on our way" (Protocol 3, paragraph 8)

8. By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

Protocol 11 – Paragraph 4

"The Goyim are a flock of sheep, and we are their wolves" (Protocol 11, paragraph 4)

11. The Goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock . . . ?

Protocol 15 – Paragraph 7

"If we have been able to bring them to such a pitch of stupid blindness, is that not amazingly clear proof of the degree to which the mind of the Goyim is undeveloped in comparison with our mind? This is, mainly, which guarantees our success" (Protocol 15, paragraph "7)

7. If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the GOYIM is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

#2 – The presidents are mere puppets on their strings **8:48**

Protocol 10 – Paragraph 10

"We replaced the ruler of the republics by a caricature of a government. By a president, taken from the mob, from the midst of our puppet creatures, our slaves" (Protocol 10, paragraph 10)

10. Liberalism produced Constitutional States, which took the place of what was the only safeguard of the GOYIM, namely, Despotism; and A CONSTITUTION, AS YOU WELL KNOW, IS NOTHING ELSE BUT A SCHOOL OF DISCORDS, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims - in a word, a school of everything that serves to destroy the personality of State activity. THE TRIBUNE OF THE "TALKERICS" HAS, NO LESS EFFECTIVELY THAN THE PRESS, CONDEMNED THE RULERS TO INACTIVITY AND IMPOTENCE, and thereby rendered them useless and superfluous, for which reason indeed they have been in many countries deposed. THEN IT WAS THAT THE ERA OF REPUBLICS BECAME POSSIBLE OF REALIZATION; AND THEN IT WAS THAT **WE REPLACED THE RULER BY A CARICATURE OF A GOVERNMENT - BY A PRESIDENT, TAKEN FROM THE MOB, FROM THE MIDST OF OUR PUPPET CREATURES, OR SLAVES.** This was the foundation of the mine which we have laid under the GOY people, I should rather say, under the GOY peoples.

Protocol 10 – Paragraph 13

"We shall arrange elections in favor of such presidents who have in their past some dark, undiscovered secret. This will make them trustworthy agents for the accomplishment of our plans out of fear of exposure

"... and from the natural desire of everyone who has attained power, namely, the privileges, advantages and honor connected with the office of president. We shall take the right to propose new laws, or make changes in existing laws, as the president is only a puppet in our hands" (Protocol 10, paragraph 13)

13. In order that our scheme may produce this result **we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain**, some "Panama" or other - **then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president.** The chamber of deputies will provide cover for, will protect, will elect presidents, but **we shall take from it the right to propose new, or make changes in existing laws**, for this right will be given by us to the responsible **president, a puppet in our hands**. Naturally, the authority of the presidents will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that some blind slave of ours - the majority of the mob. Independently of this we shall invest the president with the right of declaring a state of war. We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution.

#3 – Liberals and masons are relentlessly used 9:45

Protocol 13 – Paragraph 4

"The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and progressive" (Protocol 13, paragraph 4)

4. **The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive:** for have we not with complete success turned the brainless heads of the GOYIM with progress, till there is not among the GOYIM one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

Protocol 15 – Paragraph 4

"Until we come into our kingdom, we shall create and multiply Masonic lodges in all the countries of the world, absorb into them all who are prominent in public activity, for these lodges are our principal intelligence office and means of influence" (Protocol 15, paragraph 4)

"All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders" (Protocol 15, paragraph 4)

"The most secret political plots will be known to us and fall under our guiding hands on the very day of their conception. Among the members of these lodges will be almost all the agents of international and national police since their service is irreplaceable to us as they have their own measures with the insubordinate" (Pr. 15, par.4)

4. Meantime, however, **until we come into our kingdom**, we shall act in the contrary way: **we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders.** The lodges will have their representatives who will serve to screen the abovementioned administration of MASONRY and from whom will issue the watchword and program. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. **The most secret political plots will be known to us and fall under our guiding hands on the very day of their conception. AMONG THE MEMBERS OF THESE LODGES WILL BE ALMOST ALL THE AGENTS OF INTERNATIONAL AND NATIONAL POLICE since their service is for us irreplaceable** in the respect that the police is in a position not only to use **its own particular measures with the insubordinate**, but also to screen our activities and provide pretexts for discontents, ET CETERA

Protocol 15 – Paragraph 5

"The class of people who willingly enter into secret societies are those who live by their reason, careerists, mostly light-minded people, with whom we shall have no difficulty in dealing and in using"

"But if there should arise in its midst a plot, then at the head of that plot will be no other than one of our most trusted servants" (Protocol 15, paragraph 5)

5. **The class of people who most willingly enter into secret societies are those who live by their wits, careerists, and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using** to wind up the mechanism of the machine devised by us. If this world grows agitated the meaning of that will be that we have had to stir up in order to break up its too great solidarity. **BUT IF THERE SHOULD ARISE IN ITS MIDST A PLOT, THEN AT THE HEAD OF THAT PLOT WILL BE NO OTHER THAN ONE OF OUR MOST TRUSTED SERVANTS.** It is natural that we and no other should lead MASONIC activities, for we know whither we are leading, we know the final goal of every form of activity whereas the GOYIM have knowledge of nothing, not even of the immediate effect of action; they put before themselves, usually, the momentary reckoning of the satisfaction of their self-opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought....

Protocol 15 – Paragraph 6

"The Goyim enter the lodges out of curiosity or in the hope to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for success and applause, of which we are remarkably generous"

"..... You cannot imagine to what extent the wisest of the Goyim can be brought to a state of unconscious naiveté in their arrogance, and how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had".....

"... and to reduce them to a slavish submission for the sake of winning a renewal of success. ... These tigers in appearance have the souls of sheep and the wind blows freely through their heads" (Protocol 15, paragraph 6)

6. The Goyim enter our lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others You cannot imagine to what extent the wisest of the GOYIM can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success BY SO MUCH AS OURS DISREGARD SUCCESS IF ONLY THEY CAN CARRY THROUGH THEIR PLANS, BY SO MUCH THE "GOYIM" ARE WILLING TO SACRIFICE ANY PLANS ONLY TO HAVE SUCCESS. This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of COLLECTIVISM They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important law of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality

Protocol 15 – Paragraph 9

"We execute Masons in ways that none but the Brotherhood can ever have a suspicion of, not even the victims themselves of our death sentence, they all die when required as if from a normal kind of illness"

"..... Knowing this, even the brotherhood dare not protest. By such methods we have plucked out of the midst of Masonry the very root of protest against us" (Protocol 15, paragraph 9)

9. Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to ourselves, to the founders of this affair. WE EXECUTE MASONS IN SUCH WISE THAT NONE SAVE THE BROTHERHOOD CAN EVER HAVE A SUSPICION OF IT, NOT EVEN THE VICTIMS THEMSELVES OF OUR DEATH SENTENCE, THEY ALL DIE WHEN REQUIRED AS IF FROM A NORMAL KIND OF ILLNESS. Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of MASONRY the very root of protest against our disposition. While preaching liberalism to the GOY we at the same time keep our own people and our agents in a state of unquestioningly submission.

#4 – The press will be their golden tool to steer the mob 12:54

Protocol 2 – Paragraph 5

"Through the Press we have gained the power to influence while remaining ourselves in the shade" (Pr. 2, par. 5)

5. In the hands of the States of to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the GOYIM States have not known how to make use of this force; and it has fallen into our hands. **Through the Press we have gained the power to influence while remaining ourselves in the shade**; thanks to the Press we have got the GOLD in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand Goyim.

Protocol 12 – Paragraph 4

"Not a single announcement will reach the public without our control. All news items are received by a few agencies. These agencies will be entirely ours, and will give publicity only to what we dictate to them" (Protocol 12, par. 4)

4. NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL. Even now this is already being attained by us inasmuch as **all news items are received by a few agencies**, in whose offices they are focused from all parts of the world. **These agencies will then be already entirely ours and will give publicity only to what we dictate to them.**

Protocol 12 – Paragraph 12

"All our newspapers will be of all possible complexions... aristocratic, republican, revolutionary, even anarchical. Those fools who will think they are repeating the opinion of a newspaper of their own camp, will be repeating our opinion or any opinion that seems desirable for us" (Protocol 12, paragraph 12)

12. All our newspapers will be of all possible complexions - aristocratic, republican, revolutionary, even anarchical - for so long, of course, as the constitution exists Like the Indian idol "Vishnu" they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When a pulse quickens these hands will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestion. **Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us.** In the vain belief that they are following the organ of their party they will, in fact, follow the flag which we hang out for them.

#5 – The people will be distracted by empty words and broken promises 13:51

Protocol 6 – Paragraph 7

"We shall raise the rate of wages which, however, will not bring any advantage to the workers, for - at the same time - we shall produce a rise in prices of the basic necessities of life, claiming that it arises from the decline of agriculture and cattle-breeding" (Protocol 6, paragraph 7)

7. To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that greedy demand for luxury which is swallowing up everything. **WE SHALL RAISE THE RATE OF WAGES WHICH, HOWEVER, WILL NOT BRING ANY ADVANTAGE TO THE WORKERS, FOR, AT THE SAME TIME, WE SHALL PRODUCE A RISE IN PRICES OF THE FIRST NECESSARIES OF LIFE, ALLEGING THAT IT ARISES FROM THE DECLINE OF AGRICULTURE AND CATTLE-BREEDING:** WE SHALL FURTHER UNDERMINE ARTFULLY AND DEEPLY SOURCES OF PRODUCTION, BY ACCUSTOMING THE WORKERS TO ANARCHY AND TO DRUNKENNESS AND SIDE BY SIDE THEREWITH TAKING ALL MEASURE TO EXTIRPATE FROM THE FACE OF THE EARTH ALL THE EDUCATED FORCES OF THE "GOYIM."

Protocol 11 – Paragraph 5

"There is another reason why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties" (Protocol 11, par. 5)

5. There is another reason also why they will close their eyes; for we shall keep promising them to give back all their liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties.

Protocol 13 – Paragraph 3

"We shall distract them with amusements, games, pastimes, passions, people's palaces. Through the press we shall propose competitions in art, in sport, in all kinds: these interests will finally distract their minds" Pr. 13, paragraph 3)

3. In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly! The masses are agreed to remain inactive, to take a rest from what they suppose to be political (which we trained them to in order to use them as a means of combating the GOY governments) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about **WE FURTHER DISTRACT THEM WITH AMUSEMENTS, GAMES, PASTIMES, PASSIONS, PEOPLE'S PALACES SOON WE SHALL BEGIN THROUGH THE PRESS TO PROPOSE COMPETITIONS IN ART, IN SPORT IN ALL KINDS:** these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as

we because we alone shall be offering them new directions for thought... of course through such persons as will not be suspected of solidarity with us.

#6 – All layers of society will be infiltrated 14:50

Protocol 9 – Paragraph 4

"It is from us that the all-engulfing terror proceeds, we have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and Utopian dreamers. We have harnessed them all to the task of drilling away the last remnants of authority" (Pr. 9, par. 4)
"By these acts all States are in torture and ready to sacrifice everything for peace and tranquility: but we will not give them peace until they openly acknowledge our international super-government, and with submissiveness" (Protocol 9, paragraph 4)

4. IT IS FROM US THAT THE ALL-ENGULFING TERROR PROCEEDS. WE HAVE IN OUR SERVICE PERSONS OF ALL OPINIONS, OF ALL DOCTRINES, RESTORATING MONARCHISTS, DEMAGOGUES, SOCIALISTS, COMMUNISTS, AND UTOPIAN DREAMERS OF EVERY KIND. We have harnessed them all to the task: EACH ONE OF THEM ON HIS OWN ACCOUNT IS BORING AWAY AT THE LAST REMNANTS OF AUTHORITY, IS STRIVING TO OVERTHROW ALL ESTABLISHED FORM OF ORDER. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace: BUT WE WILL NOT GIVE THEM PEACE UNTIL THEY OPENLY ACKNOWLEDGE OUR INTERNATIONAL SUPER-GOVERNMENT, AND WITH SUBMISSIVENESS.

Protocol 9 – Paragraph 9

"We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, but principally into education and training as being the cornerstones of a free existence" (Protocol 9, paragraph 9)

9. In order to annihilate the institutions of the GOYIM before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, BUT PRINCIPALLY INTO EDUCATION AND TRAINING AS BEING THE CORNERSTONES OF A FREE EXISTENCE.

Protocol 2 – Paragraph 2

"The administrators, whom we shall choose from among the public, with strict regard to their capacity for obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game"

"..... in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world" (Protocol 2, paragraph 2)

2. The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world. As is well known to you, these specialists of ours have been drawing to fit them for rule the information they need from our political plans from the lessons of history, from observations made of the events of every moment as it passes. The GOYIM are not guided by practical use of unprejudiced historical observation, but by theoretical routine without any critical regard for consequent results. We need not, therefore, take any account of them - let them amuse themselves until the hour strikes, or live on hopes of new forms of enterprising pastime, or on the memories of all they have enjoyed. For them let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the GOYIM will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our AGENTUR specialists have cunningly pieced together for the purpose of educating their minds in the direction we want.

Protocol 8 – Paragraph 2

"We shall surround our government with a whole world of economists. Around us will be a constellation of bankers, industrialists, capitalists and (the main thing) millionaires, because everything will be settled by the question of figures" (Protocol 8, paragraph 2)

2. We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and - THE MAIN THING MILLIONAIRES, BECAUSE IN SUBSTANCE EVERYTHING WILL BE SETTLED BY THE QUESTION OF FIGURES.

Protocol 13 – Paragraph 6

"Who will ever suspect that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?" (Protocol 13, par. 6)

6. Who will ever suspect then that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?

#7 – The ultimate threat 16:55

Protocol 9 – Paragraph 13

"You may say that the Goyim will rise upon us, arms in hand, if they guess what is going on before the time comes; but in the West we have against this a manoeuvre of such appalling terror that the very stoutest hearts quail"

"..... the undergrounds, metropolitans, those subterranean corridors which, before the time comes, will be driven under all the capitals and from where the capitals will be blown into the air with all their organizations and archives" (Protocol 9, paragraph 13)

13. You may say that the GOYIM will rise upon us, arms in hand, if they guess what is going on before the time comes; but in the West we have against this a maneuver of such appalling terror that the very stoutest hearts quail - the undergrounds, metropolitans, those subterranean corridors which, before the time comes, will be driven under all the capitals and from whence those capitals will be blown into the air with all their organizations and archives.

#8 – They will cause mayhem 17:30

Protocol 3 – Paragraph 3

We have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every ambition. Of States we have made gladiatorial arenas where a lot of confused issues contend . . . A little more, and disorders and bankruptcy will be universal (Protocol 3, par.3)

3. In order to incite seekers after power to a misuse of power we have set all forces in opposition one to another, breaking up their liberal tendencies towards independence. To this end we have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every ambition. Of States we have made gladiatorial arenas where a lot of confused issues contend A little more, and disorders and bankruptcy will be universal....

Protocol 3 – Paragraph 11

"This hatred will be further magnified by the effects of economic crises, which will stop dealing on the exchanges and bring industry to a standstill. Universal economic crises whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe"

"..... These mobs will rush to shed the blood of those whom they have envied from their cradles, in the simplicity of their ignorance, and whose property they will then be able to loot" (Pr.3, par.11)

11. THIS HATRED WILL BE STILL FURTHER MAGNIFIED BY THE EFFECTS of an ECONOMIC CRISES, which will stop dealing on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, A UNIVERSAL ECONOMIC CRISES WHEREBY WE SHALL THROW UPON THE STREETS WHOLE MOBS OF WORKERS SIMULTANEOUSLY IN ALL THE COUNTRIES OF EUROPE. These mobs will rush delightedly to shed the blood of

those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

Protocol 3 – Paragraph 14

"Remember the French Revolution? The secrets of its preparations are well known to us for it was wholly the work of our hands" (Protocol 3, paragraph 14)

14. When the populace has seen that all sorts of concessions and indulgences are yielded it, in the same name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but, naturally like every other blind man, it has come upon a host of stumbling blocks. IT HAS RUSHED TO FIND A GUIDE, IT HAS NEVER HAD THE SENSE TO RETURN TO THE FORMER STATE and it has laid down its plenipotentiary powers at OUR feet. Remember the French Revolution, to which it was we who gave the name of "Great": the secrets of its preparations are well known to us for it was wholly the work of our hands.

#9 – There will be a transition period 18:40

Protocol 5 – Paragraph 10

"In order to put public opinion into our hands, we must bring it into a state of bewilderment by giving so many contradictory opinions, that the Goyim will lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind in political matters" ... (Pr. 5, par. 10)

10. IN ORDER TO PUT PUBLIC OPINION INTO OUR HANDS WE MUST BRING IT INTO A STATE OF BEWILDERMENT BY GIVING EXPRESSION FROM ALL SIDES TO SO MANY CONTRADICTIONARY OPINIONS AND FOR SUCH LENGTH OF TIME AS WILL SUFFICE TO MAKE THE "GOYIM" LOSE THEIR HEADS IN THE LABYRINTH AND COME TO SEE THAT THE BEST THING IS TO HAVE NO OPINION OF ANY KIND IN MATTERS POLITICAL, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

Protocol 23 – Paragraph 1

"In order for the people to become accustomed to obedience, it is necessary to give lessons of humility and, therefore, to reduce the production of articles of luxury. We shall re-establish small master production which will mean laying a mine under the private capital of manufactures" (Pr. 23, p 1)

1. That the peoples may become accustomed to obedience it is necessary to inculcate lessons of humility and therefore to reduce the production of articles of luxury. By this we shall improve morals which have been debased by emulation in the sphere of luxury. We shall reestablish small master production which will mean laying a mine under the private capital of manufactures. This is indispensable also for the reason that manufacturers on the grand scale often move, though not always consciously, the thoughts of the masses in directions against the government. A people of small masters knows nothing of

unemployment and this binds him closely with existing order, and consequently with the firmness of authority. For us its part will have been played out the moment authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against humanness of man who is turned into a brute under the influence of alcohol.

Protocol 5 – Paragraph 11

"In the resulting chaos, people will fail to understand one another. It will discourage any kind of personal initiative which might hinder our affair in any degree. There is nothing more dangerous than personal initiative: if it has genius behind it, such initiative can do more harm to us than can be done by millions of people among whom we have sown discord"

"..... We must so direct the education of the Goyim communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. We shall so wear down the Goyim that they will offer us international power that will enable us without any violence gradually to absorb all the state forces of the world and to form a super-government"

"... In place of the rulers of today we shall set up a Super-Government Administration. Its hands will reach out in all directions and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world" (Protocol. 5, paragraph 11)

11. The second secret requisite for the success of our government is comprised in the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is **in the resulting chaos, so that the people in consequence will fail to understand one another.** This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and **to discourage any kind of personal initiative which might in any degree hinder our affair. THERE IS NOTHING MORE DANGEROUS THAN PERSONAL INITIATIVE: if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the GOYIM communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence.** The strain which results from freedom of actions saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. **BY ALL THESE MEANS WE SHALL SO WEAR DOWN THE "GOYIM" THAT THEY WILL BE COMPELLED TO OFFER US INTERNATIONAL POWER OF A NATURE THAT BY ITS POSITION WILL ENABLE US WITHOUT ANY VIOLENCE GRADUALLY TO ABSORB ALL THE STATE FORCES OF THE WORLD AND TO FORM A SUPER-GOVERNMENT.** In place of the rulers of to-day we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue ah the nations of the world.

Protocol 10 – Paragraph 18 & 4

"The moment of the recognition of our despot will come when the peoples, utterly wearied by the incompetence of their rulers – a matter which we shall arrange for – will cry out:"

"..... Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders, who will give us peace and quiet which we cannot find under our rulers and representatives"

"..... Then will the mob exalt us and bear us up in their hands in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument which will set us on the throne of the world, will then have served its purpose and will play its part for the last time" (Pro. 10, par. 4 & 18)

18. The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence - a matter which we shall arrange for - of their rulers, will clamor: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders - frontiers, nationalities, religions, State debts - who will give us peace and quiet which we cannot find under our rulers and representatives."

4. WHEN WE HAVE ACCOMPLISHED OUR COUP D'ETAT WE SHALL SAY THEN TO THE VARIOUS PEOPLES: "EVERYTHING HAS GONE TERRIBLY BADLY, ALL HAVE BEEN WORN OUT WITH SUFFERING. WE ARE DESTROYING THE CAUSES OF YOUR TORMENT - NATIONALITIES, FRONTIERS, DIFFERENCES OF COINAGES. YOU ARE AT LIBERTY, OF COURSE, TO PRONOUNCE SENTENCE UPON US, BUT CAN IT POSSIBLY BE A JUST ONE IF IT IS CONFIRMED BY YOU BEFORE YOU MAKE ANY TRIAL OF WHAT WE ARE OFFERING YOU."... THEN WILL THE MOB EXALT US AND BEAR US UP IN THEIR HANDS IN A UNANIMOUS TRIUMPH OF HOPES AND EXPECTATIONS. VOTING, WHICH WE HAVE MADE THE INSTRUMENT WHICH WILL SET US ON THE THRONE OF THE WORLD BY TEACHING EVEN THE VERY SMALLEST UNITS OF MEMBERS OF THE HUMAN RACE TO VOTE BY MEANS OF MEETINGS AND AGREEMENTS BY GROUPS, WILL THEN HAVE SERVED ITS PURPOSES AND WILL PLAY ITS PART THEN FOR THE LAST TIME BY A UNANIMITY OF DESIRE TO MAKE CLOSE ACQUAINTANCE WITH US BEFORE CONDEMNING US.

#9 – The new kingdom will be blood-curdling 21:22

Protocol 5 – Paragraph 1

"We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate all the actions of the political life of our subjects by new laws"

"..... These laws will withdraw one by one all liberties of the Goyim, and our kingdom will be distinguished by a despotism of such magnificent proportions that we can wipe out any Goyim who oppose us by deed or word" (Protocol 5, paragraph 1)

1. What form of administrative rule can be given to communities in which corruption has penetrated everywhere, communities where riches are attained only by the clever surprise tactics of semi swindling tricks; where looseness reigns: where morality is maintained by penal measures and harsh laws but not by voluntarily accepted principles: where the feelings towards faith and country are obligated by cosmopolitan convictions? What form of rule is to be given to these communities if not that despotism which I shall describe to you later? We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of

the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the GOYIM, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM who oppose us by deed or word.

Protocol 3 – Paragraph 20 – [Orwell: “Freedom Is Slavery” because, according to the Party, the man who is independent is doomed to fail. By the same token, “Slavery Is Freedom,” because the man subjected to the collective will is free from danger and want . . . “War is peace. Freedom is slavery. Ignorance is strength.”]

"The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason, when we come into our kingdom"
"..... we shall have to erase this word 'Freedom' from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts" (protocol 3, paragraph 20)

20. The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

Protocol 12 – Paragraph 2

"Freedom is the right to do that which the law allows. All freedom will thus be in our hands" (pr.12 p.2)

2. Freedom is the right to do what which the law allows. This interpretation of the word will at the proper time be of service to us, because **all freedom will thus be in our hands**, since the laws will abolish or create only that which is desirable for us according to the aforesaid program.

Protocol 17 – Paragraph 7

"In our programs one-third of our subjects will keep the rest under observation from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit" (protocol 17, paragraph 7)

7. **Our kingdom will be an apologia of the divinity Vishnu**, in whom is found its personification - in our hundred hands will be, one in each, the springs of the machinery of social life. We shall see everything without the aid of official police which, in that scope of its rights which we elaborated for the use of the GOYIM, hinders governments from seeing. **In our programs ONE-THIRD OF OUR SUBJECTS WILL KEEP THE REST UNDER OBSERVATION from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit:** unfounded denunciations, however, will be cruelly punished that there may be development of abuses of this right.

Protocol 15 – Paragraph 1

"When we at last definitely come into our kingdom by the aid of Coups d'état prepared everywhere for one and the same day, we shall make it our task to see that plots against us shall no longer exist"

"..... With this purpose we shall slay without mercy all who take arms to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will be punished with death"

"..... Those now in existence are known to us, serve us and have served us. But we shall disband them and send them into exile to continents far removed from Europe".....

"..... In this way we shall proceed with those Goy Masons who know too much; those we may spare will be kept in constant fear of exile from Europe as the center of our rule" (protocol 15, paragraph 1)

1. When we at last definitely come into our kingdom by the aid of COUPS D'ETAT prepared everywhere for one and the same day, after definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century) we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. IN THIS WAY WE SHALL PROCEED WITH THOSE "GOY" MASONS WHO KNOW TOO MUCH; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of rule.

Protocol 22 – Paragraph 4

"One authority will be glorious because it will be all-powerful. Our authority will be the crown of order, and in that is included the whole happiness of man" (protocol 22, paragraph 4)

4. One authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and which are noting else, to speak honestly, but utopian Our authority will be the crown of order, and in that is included the whole happiness of man. The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of God: none dare come near to it so as to take so much as a span from it away.

Protocol 9 – Paragraph 3

"We, the law-givers, shall execute judgement and sentence, we shall slay and we shall spare. We rule by force of will, and the weapons in our hands are limitless ambitions, burning greediness, merciless vengeance, hatred and malice" (protocol 9, paragraph 3)

3. For us there are not checks to limit the range of our activity. Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the

energetic and forcible word - Dictatorship. I am in a position to tell you with a clear conscience that at the proper time **we, the law-givers, shall execute judgment and sentence, we shall slay and we shall spare**, we, as head of all our troops, are mounted on the steed of the leader. **We rule by force of will**, because in our hands are the fragments of a once powerful party, now vanquished by us. **AND THE WEAPONS IN OUR HANDS ARE LIMITLESS AMBITIONS, BURNING GREEDINESS, MERCILESS VENGEANCE, HATREDS AND MALICE.**

Protocol 15 – Paragraph 2

"Resolutions of our government will be final, without appeal" (protocol 15, paragraph 2)

2. Resolutions of our government will be final, without appeal.

Protocol 15 – Paragraph 10

"Judges decide as we dictate them" (protocol 15, paragraph 10)

10. Under our influence the execution of the laws of the GOYIM has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions, **JUDGES DECIDE AS WE DICTATE TO THEM**, see matters in the light wherewith we enfold them for the administration of the GOYIM, of course, through persons who are our tools though we do not appear to have anything in common with them – by newspaper opinion or by other means Even senators and the higher administration accept our counsels. The purely brute mind of the GOYIM is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

Protocol 15 – Paragraph 12

"When the time of our overt rule comes, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature is submission to orders, and this principle will be carried to a grandiose height" (protocol 15, par. 12)

12. When comes the time of our overt rule, the time to manifest its blessing, we shall remake all legislatures, **all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature** which will run right through them **is submission to orders, and this principle will be carried to a grandiose height**. Every abuse will then disappear in consequence of the responsibility of all down to the lowest unit before the higher authority of the representative of power. Abuses of power subordinate to this last instance will be so mercilessly punished that none will be found anxious to try experiments with their own powers. We shall follow up jealously every action of the administration on which depends the smooth running of the machinery of the State, for slackness in this produces slackness

everywhere; not a single case of illegality or abuse of power will be left without exemplary punishment.

Protocol 18 – Paragraph 9

"Criminals will be arrested at the first, more or less, well-grounded suspicion: it cannot be allowed that out of fear of a possible mistake, an opportunity should be given of escape to persons suspected of a crime, for in these matters we shall be literally merciless" (protocol 18, paragraph 9)

9. CRIMINALS WITH US WILL BE ARRESTED AT THE FIRST, more or less, well-grounded SUSPICION: it cannot be allowed that out of fear of a possible mistake an opportunity should be given of escape to persons suspected of a political lapse of crime, for in these matters we shall be literally merciless. If it is still possible, by stretching a point, to admit a reconsideration of the motive causes in simple crimes, there is no possibility of excuse for persons occupying themselves with questions in which nobody except the government can understand anything And it is not all governments that understand true policy.

Protocol 16 – Paragraph 1

We shall re-educate the universities in a new direction. Their officials and professors will be prepared by detailed secret programs of action and will be so placed as to be wholly dependent upon the government" (protocol 16, paragraph 1)

1. In order to effect the destruction of all collective forces except ours **we shall** emasculate the first stage of collectivism - **the UNIVERSITIES, by reeducating them in a new direction. THEIR OFFICIALS AND PROFESSORS WILL BE PREPARED FOR THEIR BUSINESS BY DETAILED SECRET PROGRAMS OF ACTION** FROM WHICH THEY WILL NOT WITH IMMUNITY DIVERGE, NOT BY ONE IOTA. THEY WILL BE APPOINTED WITH ESPECIAL PRECAUTION, **AND WILL BE SO PLACED AS TO BE WHOLLY DEPENDENT UPON THE GOVERNMENT.**

Protocol 16 – Paragraph 4 [Orwell – memory hole; 1619 project]

"We shall replace the study of ancient history with the study of the program of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the Goyim" (prot.16, par. 4)

4. Classicism as also any form of study of **ancient history**, in which there are more bad than good examples, **we shall replace with the study of the program of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the GOYIM.** The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples, which spread the infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching program, which will be

drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

Protocol 16 – Paragraph 7

"We shall abolish every kind of freedom of instruction" (Protocol 16, paragraph 7)

7. We shall abolish every kind of freedom of instruction. Learners of all ages have the right to assemble together with their parents in the educational establishments as it were in a club: during these assemblies, on holidays, teachers will read what will pass as free lectures on questions of human relations, of the laws of examples, of the philosophy of new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith as a traditional stage towards our faith. On the completion of this exposition of our program of action in the present and the future I will read you the principles of these theories.

Protocol 4 – Paragraph 3

"It is indispensable for us to undermine all faith, to tear out of the mind of the Goyim the very principle of God and Spirit, and to replace them with arithmetical calculations and material needs" (Protocol 4, paragraph 3)

3. But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God, upon the brotherhood of humanity, unconnected with the conception of equality, which is negated by the very laws of creation, for they have established subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon earth. This is the reason why **IT IS INDISPENSABLE FOR US TO UNDERMINE ALL FAITH, TO TEAR OUT OF THE MIND OF THE "GOYIM" THE VERY PRINCIPLE OF GOD-HEAD AND THE SPIRIT, AND TO PUT IN ITS PLACE ARITHMETICAL CALCULATIONS AND MATERIAL NEEDS.**

Protocol 14 – Paragraph 1

"When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen. We must therefore sweep away all other forms of belief....."

"..... Our preaching of the religion of Moses has brought all the peoples of the world into subjection to us" (Protocol 14, paragraph 1)

1. When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the

atheists whom we see to-day, it will not, being only a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to **our preaching of the religion of Moses**, that, by its stable and thoroughly elaborated system **has brought all the peoples of the world into subjection to us**. Therein we shall emphasize its mystical right, on which, as we shall say, all its educative power is based Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessing of tranquility, though it be a tranquility forcibly brought about by centuries of agitation, will throw into higher relief the benefits to which we shall point. The errors of the GOYIM governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquility in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence, sources which have been exploited by a mob of rascally adventurers who know not what they do USELESS CHANGES OF FORMS OF GOVERNMENT TO WHICH WE INSTIGATED THE "GOYIM" WHEN WE WERE UNDERMINING THEIR STATE STRUCTURES, WILL HAVE SO WEARIED THE PEOPLES BY THAT TIME THAT THEY WILL PREFER TO SUFFER ANYTHING UNDER US RATHER THAN RUN THE RISK OF ENDURING AGAIN ALL THE AGITATIONS AND MISERIES THEY HAVE GONE THROUGH.

Protocol 14 – Paragraph 4

"Our philosophers will discuss all the shortcomings of the various beliefs of the Goyim, but no one will ever bring under discussion our faith from its true point of view since this will be fully learned by none save ours who will never dare to betray its secrets" (protocol 14, paragraph 4)

4. Our philosophers will discuss all the shortcomings of the various beliefs of the "GOYIM," BUT NO ONE WILL EVER BRING UNDER DISCUSSION OUR FAITH FROM ITS TRUE POINT OF VIEW SINCE THIS WILL BE FULLY LEARNED BY NONE SAVE OURS WHO WILL NEVER DARE TO BETRAY ITS SECRETS.

Protocol 11 – Paragraph 3

"Freedom of the Press, the right of association, freedom of conscience, the voting principle must disappear forever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution"

"..... What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong"

"..... so super-abundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them"

"...Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all" (Protocol 11, paragraph 3)

3. Having established approximately the MODUS AGENDI we will occupy ourselves with details of those combinations by which we have still to complete the revolution in the course of the machinery of State in the direction already indicated. By these combinations I mean **the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear for ever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution.** It is only at the moment that we shall be able at once to announce all our orders, for, afterwards, every noticeable alteration will be dangerous, for the following reasons: if this alteration be brought in with harsh severity and in a sense of severity and limitations, it may lead to a feeling of despair caused by fear of new alterations in the same direction; if, on the other hand, it be brought in a sense of further indulgences it will be said that we have recognized our own wrong-doing and this will destroy the prestige of the infallibility of our authority, or else it will be said that we have become alarmed and are compelled to show a yielding disposition, for which we shall get no thanks because it will be supposed to be compulsory... Both the one and the other are injurious to the prestige of the new constitution. **What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong, so inexpugnable, so super-abundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them ... Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.**

Protocol 3 – Paragraph 15

"We have been leading the peoples from one disenchantment to another, so that in the end they will turn also from us in favor of that king-despot of the blood of Zion, whom we are preparing for the world" (Protocol 3, paragraph 15)

15 Ever since that time **we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favor of that KING-DESPOT OF THE BLOOD OF ZION, WHOM WE ARE PREPARING FOR THE WORLD.**

#10 – The new king, the chosen one 28:34

Protocol 23 – Paragraph 4

"This Chosen One of God is chosen from above, to demolish the senseless forces moved by instinct and not reason, by brutishness and not humanness. These forces now triumph in manifestations of robbery and every kind of violence under the mask of principles of freedom...."

"... and rights. They have overthrown all forms of social order to erect on the ruins the throne of the King of the Jews; but their part will be played out the moment he enters into his kingdom. Then it will be necessary to sweep them away from his path" (Protocol 23, paragraph 4)

4. This Chosen One of God is chosen from above to demolish the senseless forces moved by instinct and not reason, by brutishness and humanness. These forces now triumph in manifestations of robbery and every kind of violence under the mask of principles of freedom and rights. They have overthrown all forms of social order to erect on the ruins of the throne of the King of the Jews; but their part will be played out the moment he enters into his kingdom. Then it will be necessary to sweep them away from his path, on which must be left no knot, no splinter.

Protocol 15 – Paragraph 23

"When the King of Israel sets upon his sacred head the crown offered to him by Europe, he will become patriarch of the world" (Protocol 15, paragraph 23)

23. When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world. The indispensable victims offered by him in consequence of their suitability will never reach the number of victims offered in the course of centuries by the mania of magnificence, the emulation between the GOY governments.

Protocol 17 – Paragraph 4

"This king will be the real pope of the universe, the patriarch of the international church" (Protocol 17, paragraph 4)

4. THE KING OF THE JEWS WILL BE THE REAL POPE OF THE UNIVERSE, THE PATRIARCH OF THE INTERNATIONAL CHURCH [*The Antichrist??*].
