to gritter 3390: I'm missing the entire point of the prophets speaking of the redemption of Israel? Ha ha. NOPE. Did not salvation go to the Jews first, it's very clear in the old testament. Then it went to the Gentiles, the covenant with MANY (beyond the Jews to entire earth) being fulfilled.

Since you're not a part of the bride, I guess it's really hard for you to see the bride ALL OVER Revelation, cuz she is there throughout all tribulation, until right before the last seal/ vial/ trumpet. the BEAST kingdom is allowed to make war with the bride and overcome her. Revelation 13:7, 12:17. The saints already in heaven (souls) are told to wait because the full number of martyrs are not yet in, more to be martyred. But you say that's not the bride, lol. What a liar you are. The two witnesses are the bride, defined early on in John's vision: lampstand and olive tree (non Messianics and Messianics). BOOM. Yet the bride is not on earth, lol. NOPE. Again, you lie. Matthew 24:29-31. There is Jesus flat out saying that he gets his one and only bride (he only has ONE) at his one and only second coming (he only returns once). BOOM. Again, you are a liar.

I don't believe replacement theology, I believe the Bible. Salvation went to the Jews first; fulfilled. Daniel 9, fulfilled by 70 AD.

You're a zionist pretrib dispensationalist heretic. Wolf that Jesus warned us about. Holding up a false Christ that doesn't exist. Placing millstones around others neck. WOE to you, gritter 3390 with the Satanic numerology in your name no less; Got to 'love' that occult virtue signaling, lol.
